Subject: packet radio information
To: packet-radio@ucsd.edu

Hi... I'm new to packet radio (I don't even have a licence yet) and I

am doing a paper on this particular topic for a networking class. Could someone give me some help in finding information for this project? Thanks.

Mary Ayre

Some time ago, a European software package was announced that could emulate a TNC on an IBM PC or PC Clone. Besides that package, are there any other IBM clones TNC emulators around?
